

Wire Strippers

quick and effortless

wire and cable

stripping

There are a variety of wire strippers to fit your every need. These strippers assure quick, effortless stripping of wire / cable insulation without nicking or scratching the conductor. Each stripper is made of durable stainless steel. The curved handle is designed to fit comfortably in your hand, and is cushioned with a soft vinyl covering. The PVC frame wire stripper cuts, grips, and removes a 1-3/4 inch measured length of insulation from 22 gauge wire wrap irradiated PVC frame wire. A gripper plate allows for easy holding of PVC material.

Part Numbers:

Single Slot Regular Stripper

19 Gauge . .P/N 44100-001 20 Gauge . .P/N 44100-002
22 Gauge . .P/N 44100-003 24 Gauge . .P/N 44100-004
26 Gauge . .P/N 44100-005 28 Gauge . .P/N 44100-006
30 Gauge . .P/N 44100-007

Single Slot Stripper with Cutter

20 Gauge . .P/N 44110-002 22 Gauge . .P/N 44110-003
24 Gauge . .P/N 44110-004 26 Gauge . .P/N 44110-005
28 Gauge . .P/N 44110-006 30 Gauge . .P/N 44110-007

Double Slot Regular Stripper

20/22 GaugeP/N 44200-012
22/24 GaugeP/N 44200-013
24/26 GaugeP/N 44200-015

Double Slot Stripper with Cutter

20/22 GaugeP/N 44210-012
