LTT60-1L

6651

6652

Better than ever - Leviton Decora Timer Switches offer advanced features, superior accuracy and contemporary aesthetics. Our robust selection provides convenient timed control of lighting and motor loads in homes, offices, schools, hotel rooms and other small commercial applications. An easy upgrade, automatic timers help reduce energy costs, improve security and add convenience. Homeowners can set lights to turn on and off for a lived-in look while they are away, or automate control of heat lamps, pool pumps or bathroom fans. Our versatile selection includes fully programmable and preset timers in popular styles and colors. All are backed by Leviton's long history of quality and reliability.

## APPLICATIONS

- Residential/commercial indoor, outdoor and holiday lighting
- Ventilation, exhaust, attic and ceiling fans
- Heaters, heat lamps, pool filters and hot tubs

## FEATURES AND BENEFITS

- Single pole or 3-way applications (most models)
- Replaces a standard wall switch (neutral required for select models)
- Soothing green LEDs
- Coordinates with Decora screwless wallplates

### New Vizia +® 24-Hour Programmable Timer Switch

*For indoor/outdoor lighting, fans and pool filters*

- Easy to program and operate
