MAXAttach IP™ | MAX IP™

Expandable VoIP Tabletop Conferencing Phone

ClearOne.

The industry's first fully expandable SIP-based VoIP tabletop conference phone. The MAXAttach IP and MAX IP audio conferencing phones deliver unrivaled audio clarity and room coverage for your VoIP phone system. With ClearOne's advanced audio processing technologies, advanced SIP features, and the ability to daisy chain up to four phones, they deliver outstanding audio conferencing value.

UNRIVALED AUDIO
QUALITY, FLEXIBILITY
AND AFFORDABILITY

APPLICATIONS

- Executive Office
- Small Conference Room
- Medium Conference Room
- Large Conference Room
- Training Room
- Separate Rooms (MAXAttach IP phones can be separated for use in different rooms)

ADVANTAGES

- Superior Audio Performance
 - + High-quality full duplex sound enables participants to speak and listen at the same time without cutting in and out
 - + Distributed Echo Cancellation® effectively eliminates echo
 - + Noise cancellation removes background noises from fans or HVAC systems
 - + Automatic level controls keep participants' audio balanced and consistent
 - + First-mic priority eliminates hollow "tunnel" sound by activating only the microphone closest to the person speaking
 - + Three microphones provide 360° audio pickup
- Expandability
 - + MAXAttach IP comes with two phones and can expand up to four complete linked phones
 - + MAX IP comes with a single phone and can also expand up to four complete linked phones
 - + Linked phones provide multiple loudspeakers, multiple microphones, and multiple dial pads for unrivaled room coverage
- SIP Feature Set
 - + Connect to a wide variety of SIP platforms
 - + VLAN tagging allows for bandwidth management & secure separation of voice & data networks
 - + 3-way calling allows for ad-hoc conferences without need for conference bridge
 - + TLS & SRTP encryption-ready (with future release of firmware upgrade) - secures voice communications over the network
- Ease of Use & Control
 - + Field upgradeable for easy access to latest features
 - + User-friendly telephone style controls
 - + Selectable ring tones
 - + Linked MAX IP phones can be operated using the dial pad of any phone - dialing, mute, volume controls, etc.
